## **On The Run**

When you're on the run Lookin' for a friend you can depend on Your phone it never rung for days that When you're on the run Lookin' for a friend you can depend on Your phone it never rung for days that When you're on the run

When you're on the runused Used to make a stand Right up until the day that you were wanted Then you had to move 'Cause you were hunted Anywhere you hide Tough to find a place to lay your head down

Your phone it never rung for days that When your on the run When you're on the run

You better keep lookin' behind you When you're on the run When you're on the run

Look out for the lies they're comin' down the line Love upon the wire you gotta find out You're phone it never rung Nazareth
