

Open up Woman

Nazareth

Im beggin forgiveness
But its gonna take a miracle
cos Ive been lyin
She dont wanna know and I think its impossible

Said open up woman
I know that youre sad and lonely
If I could hold you
We could make it again

Listen all you men
Be good and be warned
Hell hath no fury
Like the wrath of a woman scorned
Open up woman
Give me a chance

No more lyin
No more secrets
If I could make you
I would take you away and cover up your sadness
I keep sayin open up woman
But you dont wanna hear my promise
If I cant have you
Then I dont need a heart

Listen all you men
Be good and be warned
Hell hath no fury
Like the wrath of a woman scorned
Open up woman
And give me a chance

Listen all you men
Be good and be warned
Hell hath no fury
Like the wrath of a woman scorned

Livin in silence
Of my own makin
Though she wont show me
I know that her heart and soul are achin

Open up woman
I know that youre lost and let down
Im gonna keep tryin
stead of losin again

Listen all you men
Be good and be warned
Hell hath no fury
Like the wrath of a woman scorned

Open up woman
And give me a chance

Open up woman
