

Piece of My Heart

Nazareth

Didn't I make you feel
Like you were the only one
Didn't I give you everything
That a man possibly can
But all the love I give you
It's never enough
But I'm going to show you baby
That a man can be tough
Come on come on come on come on
And take it take another little
Piece of my heart
Break it break another little
Piece of my heart
Have it have another little
Piece of my heart
You know you've got it if it makes you feel good
You're out on the street looking good
And you know deep down in your heart it ain't right
And you never never hear me
When I cry for you each night
Sometimes I tell myself I can't stand the pain
But when I hold you in my arms
I say it again
Come on come on come on come on
And take it take another little
Piece of my heart
Break it break another little
Piece of my heart
Have it have another little
Piece of my heart
You know you've got it if it makes you feel good
Sometimes I tell myself I can't stand the pain
But when I hold you in my arms I say it again
Come on come on come on come on
And take it take another little
Piece of my heart
Break it break another little
Piece of my heart
Have it have another little
Piece of my heart
You know you've got it
So take it take another little
Piece of my heart
Break it break another little
Piece of my heart
Have it have another little
Piece of my heart
Take it take another little
Piece of my heart
Break it break another little
Piece of my heart
Have it have another little
Piece of my heart
