## Nazareth

Goin' out, got some time to use Baby, baby, baby, I just can't lose Truckin' round from town to town Got to get my rocks off the ground Going up, I've been down so long All I need is just one good song Take me out of this dead end gig Get my shot at some of the big If you want to rock If you want to rock You got to find somebody to roll I just signed my life away The record company's got to pay Got to chase that billboard bullet Nothin' left but to go out and do it If you want to rock You got to find If you want to rock You got to find somebody to roll Somebody to roll Goin' out, got some time to use Baby, baby, baby, I just can't lose Truckin' round from town to town Got to get my rocks off the ground If you want to rock You got to find somebody If you want to rock You got to find somebody to roll Somebody to roll
