The Rowan Tree/Tell Me That You Love Me

Nazareth

Tell me that you love me
Even though I'm far away
Tell me that you need me
Help me through another day

Well, I'm not new to this
Held on before when I should have let go
The mistakes that you make
Keep comin' round like a family ghost

I just wanna know
Am I moving in or heading for the coast

She said:
Tell me that you love me
Even though you're far away
Tell me that you need me
Help me through another day

I don't know what to do
I'm all dressed up no place to go
Sailing against the wind, can't figure it out
Which way it will blow

Show me now
I'm lost at sea I'm sinking below
Help me now
Tell me, tell me

Tell me that you love me
Even though you're far away
Tell me that you need me
Help me through another day.
