

Waiting

Nazareth

Waitin' - got a leash around my neck
Trainin' - I'll never be your pet
Dyin', sighin'
You got me flyin', cryin'

I've been waitin' - standing by your side
Prayin' - tryin' to turn the tide
Spinnin', grinnin'
You got me flyin' high

Waitin' - I've been tryin' to state my case
Racin' - Tryin' to keep it in the chase
Slippin', slidin'
I'm gonna be seekin', findin'

You're strokin', I'm smokin'
Your're playin' and I'm layin' a plan
I'm getting' all the lovin'
I'm getting' all the lovin' I can

You're leadin' me astray
I'm pleadin' - I'm leadin'
You're feedin' - I'm beggin'

Waitin' - seems like all my life
Skatin' - livin' on thin ice
Dreamin', schemin'
You're gonna do me in

Waitin' - When are you gonna come back?
Strung out - You got me on the rack
Duckin', divin'
I'm gonna be midnight drivin'

You're takin', I'm breakin'

I'm shakin' and it's makin' me bad - I'm so sad
I'm reelin' all the feelin'
I'm reelin' all the feelin' I can

I've got to make you stay
You're leavin' - I'm grievin'
You're sellin' - I'm buyin' - you're lyin'

You're prayin' and I'm layin' a plan
I'm gettin' all the lovin'
I'm gettin' all the lovin' I can

You're leadin' me astray
I'm pleadin', I'm needin'
You're feedin', I'm beggin'

I'm shakin' and it's makin' me bad - I'm so sad
I'm reelin' all the feelin'
I'm reelin' all the feelin' I can

I've got to make you stay

You're leavin' - I'm grievin'
You're sellin' - I'm buyin' - you're lyin'
