

Kiddie Boy

Nazz

Well you thought you found your answer
on that magic carpet ride last night
When you wake up in the morning
the world still gets you uptight
There's nothing that you ain't tried
to fill the emptiness inside
But when you come back down girl,
you still ain't feeling right

You think you're going to find yourself
a little bit of paradise
Well it ain't happened yet
so girl you better think twice
Can't you see no matter what you do,
you'll never run away from you
And if you keep on running,
you'll still have to pay the price

Don't you know that
kicks just keep getting harder to find
And all your kicks
ain't bringing you peace of mind
Before you find out it's too late girl,
you better get straight
Nobody told me (kicks)

No, you don't need to help
You face the world each day
That road goes nowhere
I going to help you find yourself another way
