

# 1 More Shot

Ne-Yo

Said I can feel it comin' on  
My face is numb  
And I completely say this without slurrin' all night long  
Said I think I'm done but I'd take one more if you pourin' up  
And you look just like me (ooh, woo)  
Smilin' for nothin', you sippin' somethin', girl, I can tell  
Say I don't know what this gon' be  
But I'm here for a good time and the bottom line, is just right here

I like you  
I like the fact that you like to  
Do the thing that I like to do  
You gon' have one more shot to tell me somethin'  
I like you  
I like the fact that you like to  
Do the thing that I like to do  
You gon' have one more shot to tell me somethin'  
Girl, I like you  
I like the fact that you like to  
Do the thing that I like to do  
You gon' have one more shot to tell me somethin'  
Girl, I like you  
I like the fact that you like to  
Do the thing that I like to do  
You gon' have one more shot to tell me somethin', girl

I'm, gon' say it, say it again  
I'm gon' say it again, girl  
Say it, say it, say it again  
I'm gon' say it again, ayy

Baby, I know what your song is (I know what your song is)  
When the DJ playin' it, you be in your moment (you be in your moment)  
Put it on me, baby, watchin' you whinin' your hips  
Wonderin' if, you're goin' home or comin' with me after this, woo  
And you look just like me, mmm  
You got your eyes closed, we dancin' so slow just like that  
Said I don't know what this gon' be  
But if you're here for a good time and that's the bottom line, sing this her
