

# Apology

Ne-Yo

Oh, oh, oh, woah  
To all the girls I've loved before  
I, I  
(Yeah, yeah, yeah, yeah, yeah, yeah, woo)

I cannot deny it, I cannot deny it (yeah)  
I done broke a few hearts (yeah), done my share of lying  
I knew how to keep it quiet, I knew how to hide it  
Or if I ever did get caught, I'd just deny it  
If my mama knew the thangs I did, she wouldn't like it (yeah)  
She taught me way better (yeah), I know I knew way better (yeah)  
I just didn't care, running round doing whatever  
With 3 of they best friends, knew 'em all together

Man, I ain't give a damn, damn  
A lot of women had to deal with a boy  
That was supposed to be a man, hey  
So to the ones I hurt, becoming who I am

I'm sorry, I'm sorry (mmm)  
I'm sorry, I'm sorry (mmm)  
For every single tear that fell to get me here  
I'm sorry, I'm sorry (mmm)  
I'm sorry, I'm sorry (mmm)  
I'm so sorry, so sorry (mmm, yeah)  
For every heart that I broke to get better  
Hey, this is my apology letter, yeah  
Oh, oh, oh, woah

Sorry to that one sexy model chick  
One I used to pop bottles with  
One I hit the top with  
I know I did you wrong  
Girl, I know I did you wrong  
Can't forget about the one I hit the movies with  
One I'm rocking my Louis with  
One that did all that freaky shit  
Girl, when you play this song  
Just say that you'll sing along

Thinking to myself damn, damn  
Had to put up with the drama of a boy  
That was supposed to be a man, man, oh I  
So to the ones I hurt becoming who I am

I'm sorry, I'm sorry (mmm)  
I'm sorry, I'm sorry (mmm)  
For every single tear that fell to get me here  
I'm sorry, I'm sorry (mmm)  
I'm sorry, I'm sorry (mmm)  
I'm so sorry, so sorry (mmm, yeah)  
For every heart that I broke to get better  
Hey, this is my apology letter, yeah

Yeah, yeah, yeah, yeah  
Uh, I said I would call no one that I wouldn't call (wouldn't call)  
I said it was all good, it wasn't good at all

I said I was coming through and never came through (never came through, no)  
I said it was me and you and it was quite a few  
All of the lies (ayy), all the tears that you've cried (ayy)  
If I could go back in time (ayy), then I would undo the crime  
But I can't, no, I can't make it right  
But at the very least I can go and apologize

Well I'm sorry, sorry (mmm)  
I'm sorry, sorry (mmm)  
I'm sorry, yeah, sorry

I'm sorry, sorry  
But I appreciate you, I'm sorry  
Couldn't be who I am today if not for what you did, sorry, I'm sorry  
Not for what you went through  
So from the bottom of my heart, I'm sorry  
Thank you, I'm sorry, I'm sorry  
Sorry, yeah, I'm sorry, yeah  
Sorry, yeah
