

# Beautiful Monster

Ne-Yo

All my life  
And the hereafter  
I've never seen  
Seen one like you  
You're a knife  
Sharp and deadly  
And it's me  
That you cut into  
But I don't mind  
In fact I like it  
Though I'm terrified  
I'm turned on but scared of you

She's a monster  
Beautiful monster  
Beautiful monster  
But I don't mind  
And I need her  
Said I need her  
Beautiful monster  
But I don't mind

No I don't mind (I don't mind I don't I don't mind...)  
No I don't mind (I don't mind I don't I don't mind...)  
No I don't mind (I don't mind I don't I don't mind...)  
No I don't mind (I don't mind I don't I don't mind...)

In her eyes  
There's love and fire  
In my heart  
She's burning through  
But I don't mind  
In fact I like it  
Though I'm terrified  
I'm turned on but scared of you

She's a monster (she's a monster)  
Beautiful monster (beautiful monster)  
Beautiful monster (beautiful monster yeah)  
But I don't mind (I don't mind)  
And I need her (and I need her)  
Said I need her (said I need her)  
Beautiful monster (whooh)  
But I don't mind (I don't mind I don't I don't mind)  
No I don't mind

Playing with my heart  
And she's playing with my mind

And I don't mind I don't I don't mind  
No I don't mind I don't I don't mind  
No I don't mind I don't I don't mind  
No I don't mind I don't I don't mind

(I don't mind I don't I don't mind) And I don't mind  
(I don't mind I don't I don't mind) Said I don't mind  
(I don't mind I don't I don't mind) And I don't mind

(I don't mind I don't I don't mind) Beautiful monster

She's a monster (she's a monster)  
Beautiful monster (beautiful monster)  
Beautiful monster (oooo)  
But I don't mind (but I don't mind)  
And I need her (and I need her)  
Said I need her (said I need her)  
Beautiful monster (beautiful monster)  
But I don't mind (ooooo)  
No I don't mind

(Said I don't mind I don't I don't mind...) No I don't mind  
(I don't mind I don't I don't mind...) No I don't mind  
(I don't mind I don't I don't mind... Oooo...) No I don't mind
