Because of You

Want to but I can't help it, I love the way you feel Just got me stuck between my fantasy and what is real I need it when I want it, I want it when I don't Tell myself I'll stop every day knowing that I won't

I got a problem and I don't know what to do about it Even if I did I don't know if I would quit but I doubt it I'm taken by the thought of it

And I know this much is true Baby you have become my addiction I'm so strung out on you I can barely move But I like it and it's all because of you

(All because of you)
And it's all because of you
(All because of you)
And it's all because of you
(All because of you)
And it's all because
Never get enough
She's the sweetest drug

Think of it every second, I can get nothing done Only concern is the next time I'm gon' get me some Know I should stay away from 'cause it's no good for me I try and try but my obsession won't let me leave

I got a problem and I don't know what to do about it Even if I did I don't know if I would quit but I doubt it I'm taken by the thought of it

And I know this much is true Baby you have become my addiction I'm so strung out on you I can barely move But I like it and it's all because of you

(All because of you)
And it's all because of you
(All because of you)
And it's all because of you
(All because of you)
And it's all because
Never get enough
She's the sweetest drug

Ain't no doubt, so strung out Ain't no doubt, so strung out Over you, over you, over you

Because of you And it's all because of you Never get enough She's the sweetest drug She's the sweetest drug
