

## Go On Girl

Ne-Yo

I can't get it back, but I don't want it back  
I've realized that she don't know how to act  
Never been a dumb dude, no I'm not dense  
I just had a slight lack of common sense

I was the good guy, she was the bad girl  
I'm thinking one girl, she thinking me, Earl, James and Jimmy  
Yep she had plenty  
But love for me, she didn't have any

I was inviting her into my heart  
But she was out riding in some other man's car  
She was my night time, thought I was her star  
Guess I was wrong but see I'm strong  
Won't take long for me to move on

Please don't worry 'bout me I'm fine  
Only gonna play the fool one time  
Trust me when I say that I'll be okay  
Go on girl, go on girl, go on girl

I can't get it back, but I don't want it back  
I've realized that she don't know how to act  
Tried to settle down and look what I get  
Thought it was my time but I guess not yet

She at the bar getting drinks from many men  
I'm in the house, thinking she's with her girlfriends  
Just not knowing, truly not knowing  
I look back now like, man, I was open

I was inviting her into my heart  
But she was out riding in some other man's car  
She was my night time, thought I was her star  
Guess I was wrong, but see I'm strong  
Won't take long for me to move on

Please don't worry 'bout me I'm fine  
Only gonna play the fool one time  
Trust me when I say that I'll be okay  
Go on girl, go on girl, go on girl

The mistake I made is clear  
We never should've been together  
That's the reason you're not here  
I know that I can do much better

Not a single salty tear  
Not a feeling in my chest  
Baby I'm feeling no stress  
I'm too fly to be depressed

Go on girl, go on girl  
Go on girl, go on girl

Please don't worry 'bout me I'm fine  
Only gonna play the fool one time

Trust me when I say that I'll be okay  
Go on girl, go on girl, go on girl

Please don't worry 'bout me I'm fine  
Only gonna play the fool one time  
Trust me when I say that I'll be okay  
Go on girl, go on girl, go on girl

Go on girl, go on girl, go on girl  
I'll be fine
