Ne-Yo

Ladies and gentleman
We are officially larger than life
The stage is set
The lights are on
And this is where the magic happens
So without further a do
Our feature presentation

I think I need a moment with you
Said no need to audition
You're beautiful
So tell me what you're drinking
Baby let me know
You don't gotta pay for another one of those tonight
Baby I'm something like a big deal
Somebody you're pleased to know

And you should get to know me
Flyest in the room without trying to be
Dressed to the nine
Swag genuine
So special
So rare
Never hard to find
You setting it off
Know I'm kinda cocky
But smiling I'm the boss
I mean it ain't just talk
I'm a winner
So I ain't never lost

So come here girl
We're making a movie
So come and be my little lady girl
Tell me what you're drinking
Baby let me know
