

# Nights Like These

Ne-Yo

Oh, nights like these, I live for nights like these, yeah

Start me up a vodka tonic  
Sittin' at the bar in a  
Hole in the wall on the east side  
And the drinks don't cost me much  
And there's never anybody there  
Incognito suits me just fine, yeah, yeah

A man with a guitar, not tryna be a star  
Stool in a small stage, singin' the pain away  
Señorita get up and dance

Oh, nights like these, I live for nights like these  
When you ain't nobody but you and I'm just me, ayy  
Not the lights, no glitz and glam, just good vibes and good company  
Oh, nights like these, I live for nights like these

Sírvame un trago 'e Negroni  
Locación está perfecta, puedo ser normal  
Hoy deseo ser humano y desacatarme sin nadie opinar  
Con la morena del vestido colorado quisiera bailar  
(Hey, sólo escucha)

Una noche sin ser Romeo  
Y me doy un baño del pueblo  
Bailo, sudo, me emborracho  
Yo bailarí una bachata  
Que no todas Sería algo tan especial

Noches así que me hacen sentir  
Son momentos que me incitan a vivir  
No hay glamor, nadie es estrella, nadie brilla, ni una Por noches así me esc  
apo y soy feliz

Just tryna have a good night  
Where ain't nobody worried 'bout a spotlight  
I'm nobody, you nobody and it's alright  
It's alright, it's alright, ayy  
I'm just tryna have a good night  
Where ain't nobody worried 'bout a spotlight  
I'm nobody, you nobody and it's alright  
It's alright, it's alright, oh woah, oh

Oh, nights like these, I live for nights like these (hey, I live for nights  
like these, oh, woah)  
When you ain't nobody but you and I'm just me, ayy (nobody but you and I'm j  
ust me, oh)  
Not the lights, no glitz and glam, just good vibes and good company (woo, he  
y)  
Oh, nights like these, I live for nights like these (nights like these, I li  
ve for nights like these)  
Noches así que me hacen sentir  
Son momentos que me incitan a vivir  
No hay glamor, nadie es estrella, nadie brilla, ni una Por noches así me esc  
apo y soy feliz

Oh, nights like these, I live for nights like these
