

# Stay

Ne-Yo

Que linda ma, que linda ma, tu que linda ma, que linda ma, que linda ma  
Let's go!

The room is spinnin'  
And I can't breathe  
And o0h my head is just achin'  
Hands won't stop sweatin'  
And my knees girl they just wont stop shakin'  
My stomach is turnin' flips  
And I feel sick  
Yea see (yeah)  
And this is all just at the thought of you leavin' me

(maybe I'm a fool)  
Am I stupid?  
(Maybe I'm a fiend)  
Addicted to it  
(baby I don't know)  
But your my get right when it's wrong  
(Maybe it's your smile)  
Makes me happy  
(Maybe it's your touch)  
So relaxing  
(whatever it is)  
Without it i just can't go on  
And I want you to know that

I just can't help myself  
I just can't help myself  
I don't need nothin' else  
All I need is you  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me

Never gonna be without cha'  
See myself with only you  
I finally found my inspiration  
Here your voice sing  
(baby woohhoo00oo)  
Anything I gotcha'  
Watcha' want indeed I'll be  
Cuz you are my everything  
So baby please just  
Stay with me

(maybe I'm a fool)  
Am I stupid?  
(Maybe I'm a fiend)  
Addicted to it  
(baby I don't know)  
But your my get right when it's wrong

(Maybe it's your smile)  
Makes me happy  
(Maybe it's your touch)  
So relaxing  
(whatever it is)  
Without you I just can't go on

I just can't help myself  
I just can't help myself  
I don't need nothin' else  
All I need is you  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me

Dah dah dah dah dah  
NOW  
Live from the 215  
My babygirl ride right on my left handside  
Mercedes rug slide through the palm of a dime  
The brother known best  
Its the prince  
And you my princess  
Let's get it on  
Mami que-linda  
Look at cha' beautiful smile  
I don't wanna leave ya  
Why don't cha stay for a while  
I love to love ya  
Like heavy bum-bum-tiddly-dee  
Take off ya sneaks  
And leme tickle ya feet  
Peddi a libra  
You think that Peddi a freak  
Oooh you a leo  
I heard they rather unique  
Your sucha diva  
Your sucha pleasure to meet  
Your 1 of ur stature  
1 in a million  
Nothin' else matters

I love to turn you on  
Your like my favorite song  
Without you would be wrong  
(would be wrong)  
Forever and always  
Did you know what you do for me?  
Love you you're my melody  
Wearin' my heart on my sleeve  
(music)  
You're all I need

I just can't help myself  
I just can't help myself

I don't need nothin' else  
All I need is you  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me  
Why don't you just  
Stay with me
