

## Broken Spine

Neaera

Cut my threads  
I'm nothing but a marionette  
Lies and cliches harm and ruin  
Our exchange of views  
Never thought this could be me  
To weak to resist the flow  
Isn't it useless to speak of freedom of speech?  
(When we only try to adapt other people's opinions)  
Cut my threads  
I'm nothing but a puppet  
I get frustrated when I look into the mirror  
I can't be proud of this face  
Smiling at me  
No, I don't want to follow  
No, I can't stand my face  
Bleeding, dying, torn  
Enmeshed in disillusion  
Stand the flow
