

# Paradigm Lost

Neaera

We are Generation Greed  
We are Generation Soma  
Our Desire is More  
But More Will Never Be Enough

Welcome to the Shores of Plenty  
Where Possession Equals Happiness

We are Generation Soma  
Generation Greed  
In the Lungs of Abundance  
Paradigm Lost

We are So Sick as to Choke on Too Much  
Instead of Starving on Too Less  
We are Flooded by a Tidal Wave of Poison  
Slowly Polluting Our Minds

Our Prosperity  
Is Based on Exploding You  
Your Poverty and Weakness  
Will Always Ensure Our Wealth

Peace of Mind Lies Hidden Deep Within  
It Can't Be Sold or Bought  
This Illusion Can Protect You  
This Illusion Will Also Swallow You

Welcome to the Shores of Plenty  
Where Possession Equals Happiness

[Chorus]
