

## Intro (General Tommy Franks)

Neal McCoy

My name's Tommy Franks, an' my Daddy's name was Ray.  
Ray was a farm boy, a cowboy an' a banker.  
A clerk, a roughneck, a driller,  
A long-haul driver, a soldier an' a mechanic.  
He was also a friend to everybody he ever met.  
Ray taught me the value of Faith an' family,  
The American flag, hard work, honesty an' a good dog.  
I hope my Daddy Ray wasn't the last of a dyin' breed.
