

The Shake

Neal McCoy

Here we go

Some men are attracted
To a pair of big blue eyes
It takes a pretty face
To make their temperature rise
Looks aren't that important
Just icing on the cake
What really turns me on
Is the shake.

Shake it to the left, shake it to the right
Come on baby you know what I like
Shake it real funky
Shake it real low
Shake it 'till you can't shake it no more
It's a natural attraction
Mother nature wouldn't make a mistake
What really turns me on
Is the shake

Eve first said to Adam
Which outfit do you like
The maple or the fig leave
Now honey they both look nice
Clothes don't mean that much to me
Baby you better go and ask the snake
What really turns me on
Is the shake

Shake it to the left, shake it to the right
Come on baby you know what I like
Shake it real funky
Shake it real low
Shake it 'till you can't shake it no more
It's a natural attraction
Mother nature wouldn't make a mistake
What really turns me on
Is the shake

Shake it (Shake it)

Shake it to the left, shake it to the right
Come on baby you know what I like
Shake it real funky
Shake it real low
Shake it 'till you can't shake it no more
It's a natural attraction

Mother nature wouldn't make a mistake
What really turns me on
Is the shake

I said what really turns me on
Is the shake
Is the shake
Is the shake
Is the shake
