

## The Conflict Two Down One To Go

Neal Morse

The woman's found a place to go  
Where she's gone to nobody know  
But Martin's words are like wild fire  
Spreading fast as pine on the pyre  
Two down, one to go

Columbo sailed in '92  
Guttenberg did his thing too  
And Calvin came on right away  
The human clock reads a whole nother day  
Two down, one to go

The woman fled into the dark  
From the darkness of man's heart  
But she's coming from her hideaway  
And I believe she still is today  
Two down, one to go  
Two down, one to go  
Two down, one to go
