

## Evil Rules

Necro

I'm a Quiet Riot bringin the Loudness  
Like when a 4 pound spits  
like when a Slayer ground pits  
'86 the riz 36 crazy fists  
my posse in a dance  
18 of us rocking you posessed like Ozzy sniffin ants  
the Death Angel kills the Blind Illusion of Exodus  
a Heathen performing Forbidden Violence as my Testament  
Doing the Toxic Waltz boxing getting in brawls  
holding glocks if beef pops we go Balls To The Wall  
World Downfall Raise Ya Fist And Yell  
drunk like Chris Holmes Megalomaniac Women Leather And Hell  
I'm a Zakk Wylde Child like Manson Obscene  
fucking Tawny Kitean with my Whitesnake then cum on her like Rammstein  
Shread you like Malmsteinwith souls fly, Kill, Fuck, Die  
None shall Defy im your Sadus Your I Deny  
Lighting To The Nations, Bestial Devastation  
From Enslavement to Obliteration, I'm Bigger Than Satan

(Ray Alder)

Death Rap  
Extreme violence and brutal murder  
Cut your head off with a machete  
Evil Rules  
(Repeat)

(Necro)

I'll Put you on a eat shit diet  
Start a mosh pit riot  
and kill someone don't knock it till you try it  
Grab a Glock cock it pressure apply it  
to the trigger nothings fresher than me buy it. suicide decide it  
Cyanide provided sayonara sleep in a sepultura sarcophagus  
look in my eyes of horror stab your esophagus the harvester of sorrow  
carvin ya mental like john carpenter backwards like bizarro  
yesterday is tommarow pull a razor on you  
cut you consecutively occasionally deja vu  
executive producer of brutality suduce your mentality  
a noose around your jugular capillary  
vascular suffocation potent like a methadone  
mongoloid shootin up masculine mascaline from a rodent  
step to you with the power of odin  
and make you gush a blood shower  
till your flesh is like slush, your bowels exploding
