Some Get Back (Revenge)

Necro

Revenge
Revenge
Revenge
I need some get back I'm mad, your gonna bleed bad

Snap the joint to your arm, stab an artery,
Make your neck leak, 5 point palm exploding heart technique,
Merciless, like Paul Kirsty, thirsty, for retribution, 38 bursting
A desire burning, like gasoline fire yearning the murder like the Col
in from Wire
No negotiation, you won't no it's coming, no association, incriminati
on
Just tribulation break in your crib brough, reciprocation, aluminum t
o your fibula
Pull the trigger biblically bring it to your siblings, equipped to be
 vindictive
Carrying a shotgun, wearing a scary costume, I'll get at you like Har
ry Osbourne
Scope you, peeping you, surveillance, bring back balance, value, like
 young valance
From gangs in New York seeking revenge for his fathers death, dead ra
bbits trap
Hit you with hollow tips, like a shallow flick, side-
step the laws and legal politics
Rock in disguises, doctors outfits, glocks cocked or not, you shit in
 your trousers
Crucify, I'm gruesome, like Medusa, do you believe in Jesus? I'll int
roduce you!

Revenge
I need some, get back I'm mad, you'll end up dead for that
Revenge
I need some, get back I'm mad, you're gonna bleed bad
Revenge
I need some, get back I'm mad, you'll end up dead for that

Revenge
I need some, get back I'm mad, you're gonna bleed bad

Hit em hard, hit em fast, like chopper said, pop you in the head, dro
p you, then bop ahead
Walk away, camouflaged, by the night, like I'm a guard, snipe you wit
h you entourage
The mission is to be in a position to strike, cold, calculated and ef
ficient
Carefully, meticulous financially, you'll wish you never crossed me t
o begin with, BITCH
You better jet, you facing a real predator, with a Beretta, with a ve
ndetta like Perrette
Never forget, like an elephant, dwell upon the fact you'll get your m
elon split
Some Makaveli shit, I relish it, you disabled, and delicate, unable t

o flip
Bust you completely, you can't beat me, rush you, treat you worse then feces

Revenge
I need some, get back I'm mad, you'll end up dead for that
