

The Dispensation of Life and Death

Necro

Sample*Do*

you want me to be the guy your trying to make me Do?
you want me to be the guy that orders people to die Do?
you want me to be dispensation of life and death You?
convicted me for dispensating life and death man, The
f---ing *president* of the united states can't even do this Nothin
like a dead pastor splattered, all over concrete like plaster I'm
sabath I blast from this disaster I
provide you with intricate Sadistic, s t**To
guide you but diss the click we'll, divide you like arithmetic Ridin
with the pistol grips sliding down low in conspicuous Were
not sliding the biscuit clip Buck
at your release bullets inside you b h***And
if your in a car we'll pull upside of it You
know the rest the, pressure hurts Bumped
in your chest again you'll, be using your best efforts Tuckin
your intestines in like, dress shirts A
proffesional hit your, f d****like molested kids in church We're
cave beings we, crave seeing death like arabians Stabbing
your flesh like Linda Coursavien Numerous
punctures it's, humourous how a human crumbles when juxed That's
how the universe functions [Chorus
X2] You'll
live as long as I let you You
owe me your life You'll
die as soon as I give the order to get you Kill
'em Life
and death the facts it will always get you Remember
Knife
and tacts the tools use to affect you I
have the ability to, mentaly deatatch myself from emotion And
the agility to dementadly slash your flesh with a motion During
a comotion what's occuring is a promotion When
I crack you in public all, you see is the blur of an explosion I'm
pure corrosion of conformity I, love deformity Like
slice faces like shrapnel from bunkers in Normandy I
observe you as non existant The
nerve of you to think your sadistic Your
an assistant The
piss ant An
unrealistic a b h***a you**, kiss ant A
dumb sistic vibrosic spastic that piss in his pants If
you see a stranger stabbing, a stranger Don't
get involved that shill will be stranger When
your in danger of, your life being taken Over
something that, wasn't a major concern of yours Now
your in surgery cause, an your artery got cut with a razor Ya
played yaself you walk your line in life Don't
go batty this, rap I kick is deep like the s t**Manson told Patty sample
He
can make pink elephants And
your momma Africa comes home And
he still doesnt't't make elephants pink sample
I
don't even know who can burke that's, how dumb I am I'm
really dumb you, wouldn't believe how stupid I am I'm
a hillbilly sample

This
dispensation of life and death [Chorus
x2] sample
This
dispensation of life and death sample
This
dispensation of life and death
