

# The Dispensation of Life and Death

Necro

Sample\*Do\*

you want me to be the guy your trying to make me Do?  
you want me to be the guy that orders people to die Do?  
you want me to be dispensation of life and death You?  
convicted me for dispensating life and death man, The  
f---ing \*president\* of the united states can't even do this Nothin  
like a dead pastor splattered, all over concrete like plaster I'm  
sabath I blast from this disaster I  
provide you with intricate Sadistic, s t\*\*To  
guide you but diss the click we'll, divide you like arithmetic Ridin  
with the pistol grips sliding down low in conspicuous Were  
not sliding the biscuit clip Buck  
at your release bullets inside you b h\*\*\*And  
if your in a car we'll pull upside of it You  
know the rest the, pressure hurts Bumped  
in your chest again you'll, be using your best efforts Tuckin  
your intestines in like, dress shirts A  
proffesional hit your, f d\*\*\*\*like molested kids in church We're  
cave beings we, crave seeing death like arabians Stabbing  
your flesh like Linda Coursavien Numerous  
punctures it's, humourous how a human crumbles when juxed That's  
how the universe functions [Chorus  
X2] You'll  
live as long as I let you You  
owe me your life You'll  
die as soon as I give the order to get you Kill  
'em Life  
and death the facts it will always get you Remember  
Knife  
and tacts the tools use to affect you I  
have the ability to, mentaly deatatch myself from emotion And  
the agility to dementadly slash your flesh with a motion During  
a comotion what's occuring is a promotion When  
I crack you in public all, you see is the blur of an explosion I'm  
pure corrosion of conformity I, love deformity Like  
slice faces like shrapnel from bunkers in Normandy I  
observe you as non existant The  
nerve of you to think your sadistic Your  
an assistant The  
piss ant An  
unrealistic a b h\*\*\*a you\*\*, kiss ant A  
dumb sistic vibrosic spastic that piss in his pants If  
you see a stranger stabbing, a stranger Don't  
get involved that shill will be stranger When  
your in danger of, your life being taken Over  
something that, wasn't a major concern of yours Now  
your in surgery cause, an your artery got cut with a razor Ya  
played yaself you walk your line in life Don't  
go batty this, rap I kick is deep like the s t\*\*Manson told Patty sample  
\*He\*  
can make pink elephants And  
your momma Africa comes home And  
he still doesnt't't make elephants pink sample  
\*I\*  
don't even know who can burke that's, how dumb I am I'm  
really dumb you, wouldn't believe how stupid I am I'm  
a hillbilly sample

\*This\*  
dispensation of life and death [Chorus  
x2] sample  
\*This\*  
dispensation of life and death sample  
\*This\*  
dispensation of life and death
