Master! Master!

The Master of ruckus suckas

Committing crime is primal

Sip some tea eat a dope meal then break his spinal

Threw the rope-a-dope if I still can't counter attack on vinyl

Pound you with a round house you hit the ground its final

Dont disturb me verbally youre like a gerba? baby

Cut my enthusiasm you 'an urban herb- dude looks like a lady

Dont talk cops grind you like pan fried pork chops

Solid pig new york cops I walk with a bop

I clash youre a moron with a glass chin

Kick your ass like Zohan classic like Johan Sebastian

Very punctual when I puncture you punk kung fu you

I lump you in the trunk like structure? filled with junk

My arch enemies know me infamous like McDonalds arches

Like the oj car chase, malcolms departure

Martin's marches, StarKist Tuna and Jimmy Hoffas carcass

Parcheesi I'm that sleazy profit marketable narcissist

Master! Master!

I'm despicable kick you in your dick and balls

Smash your thick skull with a cricket ball

Stick up your clique ill Vic you all

Droppin bombs chop off your arms

Pop off the lamas more drama than a sonata from brahms- no ones
hotter than Ron

I got the kwan you think your big shit, youre a big fish in sma
ll pond, a big bitch like a tall blonde

No handshakes, flip you like murderous manner on pancakes'

Rip you like Otis in Devil's Rejects, these are the breaks'

Fuck in the kitchen if sex is a crime lock me in prison

Plus I love bitches like mike loved pigeons- I'm above religion

Hit you twice with a big device dismembered you remember me I'm
stuck in your memory like gigabytes

Pop you with a trepound till you're `Ghost` like Oda Mae Brown
Comatose homey vaminose, get down or lay down

Youre too ridiculous pop fags in the game claimin to be true ly
ricist you give hip hop a bad name
