## **Extreme Unction**

## Necrophagist

The light is fading without any halt Expiration is now imminent, pain... Silent prayers I perceive don't ease my pain Seconds like infinity, pain... There is no light, pain... To the darkside, pain...

Extreme Unction

The light is fading without any halt Expiration is now imminent, pain...

Silent prayers I perceive don't ease my pain Seconds like infinity, pain...

There is no light, pain...

To the darkside, pain...
