

Foul Body Autopsy

Necrophagist

Snorting - the vile stench of putrescence
Coffin - lies exhumed in front of me
Foul stiff - strewn with papillae and pores
Formenting - stiff corpse putrefies

Slicing, bisecting, incising the stiff

Stomach wall is opening
Primitive diagnosis
Remove internal organs
Primitive autopsy

Slicing, bisecting, incising the stiff

Sawing - the weak head of the corpse I saw
Slicing - cerebral bisection
Eviscerate - slushy bowels ripped out at once
Perfecting - foul body autopsy

Slicing, bisecting, incising the stiff

Stomach wall is opening
Primitive diagnosis
Remove internal organs
Primitive autopsy

Slicing, bisecting, incising the stiff
