

## Ignominious & Pale

**Necrophagist**

If it is to be only  
An element of a whole,  
To hide behind others  
And form the eclipse of mind.  
Ignominious And Pale.

If it were to one  
Having nothing to tell,  
This would equal  
A state of being the one,  
Ignominious and pale.

Fallen in the abyss of indignity,  
Doubt does not exist  
Or come into being. Pale

Incarceration of personality  
Is the sad inception of self-denial.  
The one that denies the inner self  
Flees into deception.

Incarceration of personality  
Is the sad inception of self-denial.
