Mutilate the Stillborn

Necrophagist

Dismembering - to chop her body I begin Bastard - bastard inside Disfiguring - abdominal wall is opening Offal - come to sight

Malintention To chop the foetus I intent Hateful am I Vile malodours Rancid odours I percieve I'm getting high

Hate and repulsion is that Which strenghtens my intent Fetal incising causes premature decease Loathing am I to commit Infanticide in unborn state To tear out the foetus My aggressions do increase

Mutilate the stillborn (4x)

Dismanteling - excoriate the dead unborn Vile waste - vile waste inside is Festering - prenatal fluids I adore Offal - come to sight

Mutilation The stillborn body chopped in half Hateful am I Disemboweling The torso drained of tepid bowels I'm getting high

Hate and repulsion is that Which strenghtens my intent Fetal incising causes premature decease Loathing am I to commit Infanticide in unborn state To tear out the foetus My aggressions do increase

Mutilate the stillborn (8x)
