Grey Cell Green

Ned's Atomic Dustbin

when your desire has been found, you'll be running far away you're telling me it's in the trees, in the trees it's not, it's inside me you're telling me it's on the ground, all around it's not, it's inside me you're telling me it's in disguise, well use your eyes it's not, it's inside me you're telling me it's mother earth, some sign of birth it's not, it's inside me the grey sells green only if the green cell's grey the grey cell's green only if the green sells grey
