

More Heart, Less Attack

NEEDTOBREATHE

Be the light in the cracks
Be the one that's mending the camel's back
Slow to anger and quick to laugh
Be more heart and less attack

Be the wheels not the track
Be the wanderer that's coming back
Leave the past right where it's at
Be more heart and less attack

The more you take, the less you have
'Cause it's you in the mirror that's starin' back
Quick to let go, slow to react
Be more heart and less attack

Ever growing, steadfast
And if need be, the one that's in the gap
Be the never turning back
Twice the heart any man could have

Be the wheels not the track
Be the wanderer that's coming back
Leave the past right where it's at
Be more heart and less attack
Be more heart and less attack
Be more heart and less attack

I stuck my hat out
I caught the rain drops
I drank the water
I felt my veins pop
I'm nearly sanctified
I'm nearly broken
I'm down the river, I'm nearly open

I stuck my hat out
I caught the rain drops
I drank the water
I felt my veins pop
I'm nearly sanctified
I'm nearly broken
I'm down the river, I'm nearly open
I'm down the river, to where I'm going
