More Heart, Less Attack

NEEDTOBREATHE

Be the light in the cracks Be the one that's mending the camel's back Slow to anger and quick to laugh Be more heart and less attack

Be the wheels not the track Be the wanderer that's coming back Leave the past right where it's at Be more heart and less attack

The more you take, the less you have 'Cause it's you in the mirror that's starin' back Quick to let go, slow to react Be more heart and less attack

Ever growing, steadfast And if need be, the one that's in the gap Be the never turning back Twice the heart any man could have

Be the wheels not the track Be the wanderer that's coming back Leave the past right where it's at Be more heart and less attack Be more heart and less attack Be more heart and less attack

I stuck my hat out I caught the rain drops I drank the water I felt my veins pop I'm nearly sanctified I'm nearly broken I'm down the river, I'm nearly open

I stuck my hat out I caught the rain drops I drank the water I felt my veins pop I'm nearly sanctified I'm nearly broken I'm down the river, I'm nearly open I'm down the river, to where I'm going
