

The Outsiders

NEEDTOBREATHE

Shortfalls and little sins
Close calls where no one wins
Stand tall but running thin
I'm wearing thin
Oh, why are we keeping score?

'Cause if you're not laughing
Who is laughing now?
I've been wondering if we start sinking
Could we stand our ground?
And through everything we've learned
We've finally come to terms
We are the outsiders
We are the outsiders

I'm not leaving without a fight
I've got my holster around my side
Just 'cause I'm wrong it don't make you right
No, you ain't right
Oh, why are we keeping score?

'Cause if you're not laughing
Who is laughing now?
I've been wondering if we start sinking
Could we stand our ground?
And through everything we've learned
We've finally come to terms
We are the outsiders
We are the outsiders
We are the outsiders

On the outside, you're free to roam
On the outside, we've found a home
On the outside, there's more to see
On the outside, we choose to be
