The Outsiders

NEEDTOBREATHE

Shortfalls and little sins Close calls where no one wins Stand tall but running thin I'm wearing thin Oh, why are we keeping score?

'Cause if you're not laughing
Who is laughing now?
I've been wondering if we start sinking
Could we stand our ground?
And through everything we've learned
We've finally come to terms
We are the outsiders
We are the outsiders

I'm not leaving without a fight
I've got my holster around my side
Just 'cause I'm wrong it don't make you right
No, you ain't right
Oh, why are we keeping score?

'Cause if you're not laughing
Who is laughing now?
I've been wondering if we start sinking
Could we stand our ground?
And through everything we've learned
We've finally come to terms
We are the outsiders
We are the outsiders
We are the outsiders

On the outside, you're free to roam On the outside, we've found a home On the outside, there's more to see On the outside, we choose to be
