Wasteland

NEEDTOBREATHE

I'm the first one in line to die When the cavalry comes Yeah it feels like the great divide Has already come Yeah I'm wasting my way through days losing youth along the way

Oh if God is on my side Oh if God is on my side Oh if God is on my side Then who can be against me

There was a greatness I thought for awhile But somehow it changed Some kind of blindness I used to protect me From all of my stains Yeah I wish this was vertigo But it just feels like I'm falling slow

Oh if God is on my side Then who can be against me

Yeah in this wasteland where I'm livin' There is a crack in the door filled with light And it's all that I need to get by Yeah in this wasteland where I'm livin' There is a crack in the door filled with light And it's all that I need to shine

All of these people I meet It seems like they're fine Yeah in some ways I hope that they're not And their hearts are like mine It's wrong when it seems like work To belong all I feel is hurt

Oh if God is on my side Yeah if God is on my side Oh if God is on my side Then who can be against me

Yeah in this wasteland where I'm livin' There is a crack in the door filled with light And it's all that I need to get by Yeah in this wasteland where I'm livin' There is a crack in the door filled with light And it's all that I need to shine

Oh if God is on my side Yeah if God is on my side Oh if God is on my side Then who can be against me
