Won't Turn Back

NEEDTOBREATHE

Lonely like a sailor Who's left his girl at home No storm could overtake the love he knows

So tell me why I should run for cover At the sound of the coming thunder All I hear is the cry of my lover So take your shot I won't turn back

I won't turn back

Faithful like a soldier Who's answered to the call Even when his back's against the wall

So tell me why I should run for cover At the sound of the coming thunder All I hear is the cry of my lover Yeah take your shot I won't turn back

No I won't turn back No I won't turn No I won't turn

So tell me why I should run for cover At the sound of the coming thunder All I hear is the cry of my lover Yeah take your shot I won't turn back

I won't turn back I won't turn back I won't turn back

No I won't turn back No I won't turn back No I won't turn back

Yeah, I won't turn back I won't turn I won't turn
