

I hate your ugly face
I hate your bad smell
I hate your warped mind
I hate your existence

I hate your ugly face
I hate your bad smell
I hate your warped mind
I hate your existence

Sou kachi no nai gomi wa kiero
Omae no ikiru imi nado nai
Kodoku ni yoi shiretenjanee
Saijoukyuu no zetsubou wo
Akai chi tarenagashi temiro
Seieki tarenagashi temiro
Soregao mae no sonzaikachi sa
I hate my existence

I hate your ugly face
I hate your bad smell
I hate your warped mind
I hate your existence

I hate your ugly face
I hate your bad smell
I hate your warped mind
I hate your existence

Inside my soul voice
Outside my vomit voice

Omone ta zetsubou no imi
Deep wine red

Kage shita inochi no hi wo tomosurou
Ikudo mo kaze wa fukedo ika sareru
Kodou wa ima* wo ikiru ore nisotto
Koroshita (hazuno) itami to chi wo
... Sosogu deep wine red

I can't to live (crush my heart)
Therefore I vomit it out...
