

Bleeding

Negative

I feel the whisper of your heart.
It's so loud, it dissipates me away.
But when I'm gone I feel like drowning.
Drowning in you and in your eyes.

You're bleeding.. in my arms.
Bleeding.. in my arms, oh yeah.

Have you ever started that brand new day?
Had a second chance and thrown it away?
Don't crush on me, it only hurts.
And makes you cry, it makes you bleed. With me.

You're bleeding.. in my arms.
Bleeding.. in my arms, oh yeah.

You're bleeding... in my arms! [repeat]
You're bleeding in my arms again..
Love makes you bleed.
