

End Of The Line

Negative

You've been walking along the edge
So it's been said
And you feel so out of place
It's in your head
It's the end of the line
It's the end of the line

I'm taking my time
I've swallowed my pride
If she ever comes back to me
Hello my goodbye
I'm taking what's mine
So I'm starving the memories
It's the end of the line
Only one stays behind

You've been hiding so long in despair
It shows on your face
Even time couldn't heal what was there
It can't be erased
It's the end of the line
It's the end of the line

I'm taking my time
I've swallowed my pride
If she ever comes back to me
Hello my goodbye
I'm taking what's mine
So I'm starving the memories
It's the end of the line
Only one stays behind

It's the end of the line
It's the end of the line
It's the end of the line
It's the end of the line

I'm taking my time
I've swallowed my pride
If she ever comes back to me
Hello my goodbye
I'm taking what's mine
So I'm starving the memories
Oh no no no
It's the end of the line
I'm taking my time
I'm taking my time
Since there's been a lot of these

It's the end of the line
It's the end of the line
