

# End Of The Line

Negative

You've been walking along the edge  
So it's been said  
And you feel so out of place  
It's in your head  
It's the end of the line  
It's the end of the line

I'm taking my time  
I've swallowed my pride  
If she ever comes back to me  
Hello my goodbye  
I'm taking what's mine  
So I'm starving the memories  
It's the end of the line  
Only one stays behind

You've been hiding so long in despair  
It shows on your face  
Even time couldn't heal what was there  
It can't be erased  
It's the end of the line  
It's the end of the line

I'm taking my time  
I've swallowed my pride  
If she ever comes back to me  
Hello my goodbye  
I'm taking what's mine  
So I'm starving the memories  
It's the end of the line  
Only one stays behind

It's the end of the line  
It's the end of the line  
It's the end of the line  
It's the end of the line

I'm taking my time  
I've swallowed my pride  
If she ever comes back to me  
Hello my goodbye  
I'm taking what's mine  
So I'm starving the memories  
Oh no no no  
It's the end of the line  
I'm taking my time  
I'm taking my time  
Since there's been a lot of these

It's the end of the line  
It's the end of the line
