Frozen To Lose It All

Alone in sadness You are pure and innocent All suffering in your eyes So love decides It's time to lose it all In your paradise you stayed Lost and lonely you are

In memories We're all we used to be Our frozen broken hearts Ready to lose it all Life's running out too fast It's all we have This all reminds of how in love and lost we are

You stayed, alone in sorrow So far away Where the sunbeams never reach All alone and lost we are

Your loneliness It could be here to stay In your paradise you stayed So lost and lonely you are

In memories We're all we used to be Our frozen broken hearts Ready to lose it all Life's running out too fast It's all we have This all reminds of how in love and lost we are
