

Fucking Worthless

Negative

All that I am, I just can't find the words to make you understand me.
As brave as I am, I'm not close to showing you who I am or what I feel.

You're so fucking perfect.
You're so fucking cool.
And I'm so fucking worthless when I'm far from you...
In the end it doesn't matter, 'cause you make me complete.

The light of your smile, like the sea in storm somewhere inside of me.
Put your hand on my hand and wipe away all the fears I've ever met or could invent.

You're so fucking perfect.
You're so fucking cool.
And I'm so fucking worthless when I'm far from you...
But in the end you're all that matters, 'cause you make me complete.

Nananana nanana nananana nanana nananana...
