Far,
We've been traveling far
Without a home
But not without a star

Free,
Only want to be free
We huddle close
Hang on to a dream

On the boats and on the planes They're coming to America Never looking back again, They're coming to America

Home

Don't it seem so far away
Oh, we're traveling light today
In the eye of the storm
In the eye of the storm

Home

To a new and a shiny place
Make our bed and we'll say our grace
Freedom's light burning warm
Freedom's light burning warm

Everywhere around the world They're coming to America Ev'ry time that flag's unfurled They're coming to America

Got a dream to take them there They're coming to America Got a dream they've come to share They're coming to America

They're coming to America They're coming to America They're coming to America They're coming to America Today, Today, Today, Today, Today

My country 'tis of thee (today) Sweet land of liberty (today) Of thee I sing (today) Of thee I sing Today, Today, Today Today, today, today.....
