Both Sides Now

Neil Diamond

Rows and flows of angel hair And ice cream castles in the air And feather canyons everywhere I've looked at clouds that way

But now they only block the sun They rain they snow on everyone So many things I would have done But clouds got in my way

I've looked at clouds
From both sides now
From up and down, and still somehow
It's cloud illusions I recall
I really don't know clouds at all

Moons and Junes and Ferris wheels The dizzy dancin' way you feel As every fairy tale comes real I've looked at love that way

But now it's just another show You leave 'em laughing when you go And if you care, don't let them know Don't give yourself away

I've looked at love
From both sides now
From give and take, and still somehow
It's love's illusions I recall
I really don't know love at all

Tears and fears and feeling proud
To say "I love you" right out loud
Dreams and schemes and circus crowds
I've looked at life that way

But now old friends
They're acting strange
They shake their heads
And say I've changed
Well something's lost
But something's gained
In living every day

I've looked at life from both sides now
From win and lose and still somehow
It's life's illusions I recall
I really don't know life at all
