

Can't Help Falling in Love

Neil Diamond

Wise men say
Only fools rush in
But I can't help
Falling in love with you

Shall I stay
Would it be a sin
If I can't help falling in love with you

Like a river flows
Surely to the sea
Darling so it goes
Some things are meant to be

Take my hand,
Take my whole life too
For I can't help falling in love with you

Like a river flows
Surely to the sea
Darling so it goes
Some things are meant to be

Take my hand,
Take my whole life too
For I can't help
Falling in love with you
No, I can't help
Falling in love with you
