

# Hard Times for Lovers

Neil Diamond

It isn't easy when you're makin' the scene  
You either fit right in or fall in between  
These are hard times for lovers

The kind of magic that you want every night  
Well that's the kind that always  
Goes by the morning light  
Hard times for lovers

I'm gonna climb on your roof,  
Beat on your door, act like a fool  
Then I'll say it once more  
These are hard times, really hard times  
For lovers

It's gettin' harder  
And you know it's the truth  
Confusion seems to be the popular view of it  
Hard times for lovers

Some people see it almost played like a game  
The way it is today, it's kind of a shame  
They're such hard times for lovers

I want to climb on your roof  
Beat on your door, act like a fool  
Then I'll say it once more  
These are hard times  
Really hard times for lovers

It isn't easy, no, I try to please you so  
It isn't easy, you can take it from me  
But maybe easy ain't the way  
It's supposed to be  
Hard times for lovers

I'm gonna climb on your roof  
Beat on your door, act like a fool  
Then I'll say it once more  
These are hard times  
I know that they are  
Can carry that weight  
But I don't know how far

These are hard times,  
Truly hard times  
God, they're hard times for lovers  
Say No no no no no no no...  
Say No no no no no no no...  
Say No no no no no no no...  
Say no, say no, say no  
Say no, say no, say no...
