

# Honey-Drippin' Times

Neil Diamond

Warm night time smells in the air  
Sit on an old rockin' chair  
Thinkin' back where I've been  
Goin' back, once again  
I can find Honey-Drippin' Times  
Honey-Drippin' Times

Kid's playin' games in the yard  
Kids never know when times are hard  
But they're kids and I'm not  
I just see all I've got on my mind  
Honey-Drippin' Times  
Honey-Drippin' Times  
(whistles)  
Thinkin' back where I've been  
Goin' back once again  
I can find honey-drippin times  
Honey drippin' times  
(whistles)
