

## If I Lost My Way

Neil Diamond

If I lost my way,  
Would you stand with me,  
Would you love me still  
And care for what I need  
If I lost my way?

If I lost my faith  
To face up to the test,  
Would I let you down?  
Would you love me less  
If I lost my way?

Tell me I'm afraid without good reason  
Say that I'm a fool to feel this way  
Could it be the me that you believed in  
Is all you really need to make you stay?  
If I lost my way  
If I lost my way

If I lost my dreams,  
Could I keep your trust?  
Promise that our love  
Would not turn to dust  
If I lost my way

Tell me I'm afraid without good reason  
Say that I'm a fool to feel this way  
Could it be the me that you believed in  
Is all you really need to make you stay?

If I lost my way,  
Would you stand with me  
Would you love me still  
And care for what I need  
If I lost my way  
If I lost my way  
If I lost my way  
If I lost my way
