Marry Me

Neil Diamond

Say that you'll marry me Sometimes carry me And I will be there forever more For you And if you marry me I will give every thing And I will do anything That you need Me to You'll know by the love in my eyes And the beat of my heart I'll be there You'll know 'Cause you'll never be lonely Again, anytime, anywhere This I promise if you marry me Promise you'll stay with me We'll make some memories And maybe a dream or two will come true Who knows? This I can say for sure All that I have is yours You'll never wonder where I stand It shows You'll know by the love in my eyes And the beat of my heart I'll be there You'll know 'Cause you'll never be lonely Again, anytime, anywhere All I promise you I will be If you'll only say you'll marry me I won't ever forget these words And I'll love you for all I'm worth If you say you will marry me Won't you marry me? Marry me
