

(Ooo) Do I Wanna Be Yours

Neil Diamond

I had a dream we were out on a meadow
Just you and me lyin' out in the sun
I knew that somebody would soon come to get you
Was hopin' that maybe I could be the one

Baby, ooo, do I wanna be
Ooo, do I wanna be yours
Knew that I wanna be
Like I never knew it before
And now everywhere I go
I go havin' you on my mind
And all I wanna know
Is ooo, do you wanna be mine
Because
Ooo, do I wanna be yours
For sure
Ooo, do I wanna be yours

I dreamed you were waitin' somewhere on the station
Were hopin' that maybe the right train would come
I heard myself startin' a conversation
And sayin' your waitin' was finally done

Told you, ooo, do I wanna be
Ooo, do I wanna be yours
Knew that I wanna be
Like I never knew it before
And now everywhere I go
I go havin' you on my mind
Now all I wanna know
Is ooo, do you wanna be mine
Because
Ooo, do I wanna be yours
For sure
Ooo, do I wanna be yours

I dreamed you were sittin' up there at your window
Lookin' at me with a strange kind of smile
I knew that you'd take me where I'd never been to
Was hopin' you'd ask me to stay for a while

Sayin', ooo, do I wanna be
Ooo, do I wanna be yours
Knew that I wanna be
Like I never knew it before
And now everywhere I go
I go havin' you on my mind
Now all I wanna know
Is ooo, do you wanna be mine
Because
Ooo, do I wanna be yours
For sure
Ooo, do I wanna be yours
Of course
Ooo, do I wanna be yours
